The fraud detection function may be performed by persons not employed by the State agency.

(c) *Program informational activities for low-income households.* At their option State agencies may carry out and claim associated costs for Program informational activities designed to inform low-income households about the availability, eligibility requirements, application procedures, and benefits of the Food Stamp Program. Program informational materials used in such activities shall be subject to § 272.4(b), which pertains to bilingual requirements. Before FNS considers costs for such activities eligible for reimbursement at the fifty percent rate under part 277, State agencies shall obtain FNS approval for the attachment to their Plans of Operation as specified in § 272.2(d)(1)(ix). In such attachments, State agencies shall describe the subject activities with respect to the socio-economic and demographic characteristics of the target population, types of media used, geographic areas warranting attention, and outside organizations which would be involved. State agencies shall update this attachment to their Plans of Operation when significant changes occur and report projected costs for this Program activity in accordance with § 272.2 (c), (e), and (f).
